

Forklift Bracket Details for Dimensioning Questionnaire

Company/End User (full name) _____ Contact _____
Address _____ City _____
Phone _____ State/Zip _____
Sales Organization _____ Sales Person _____

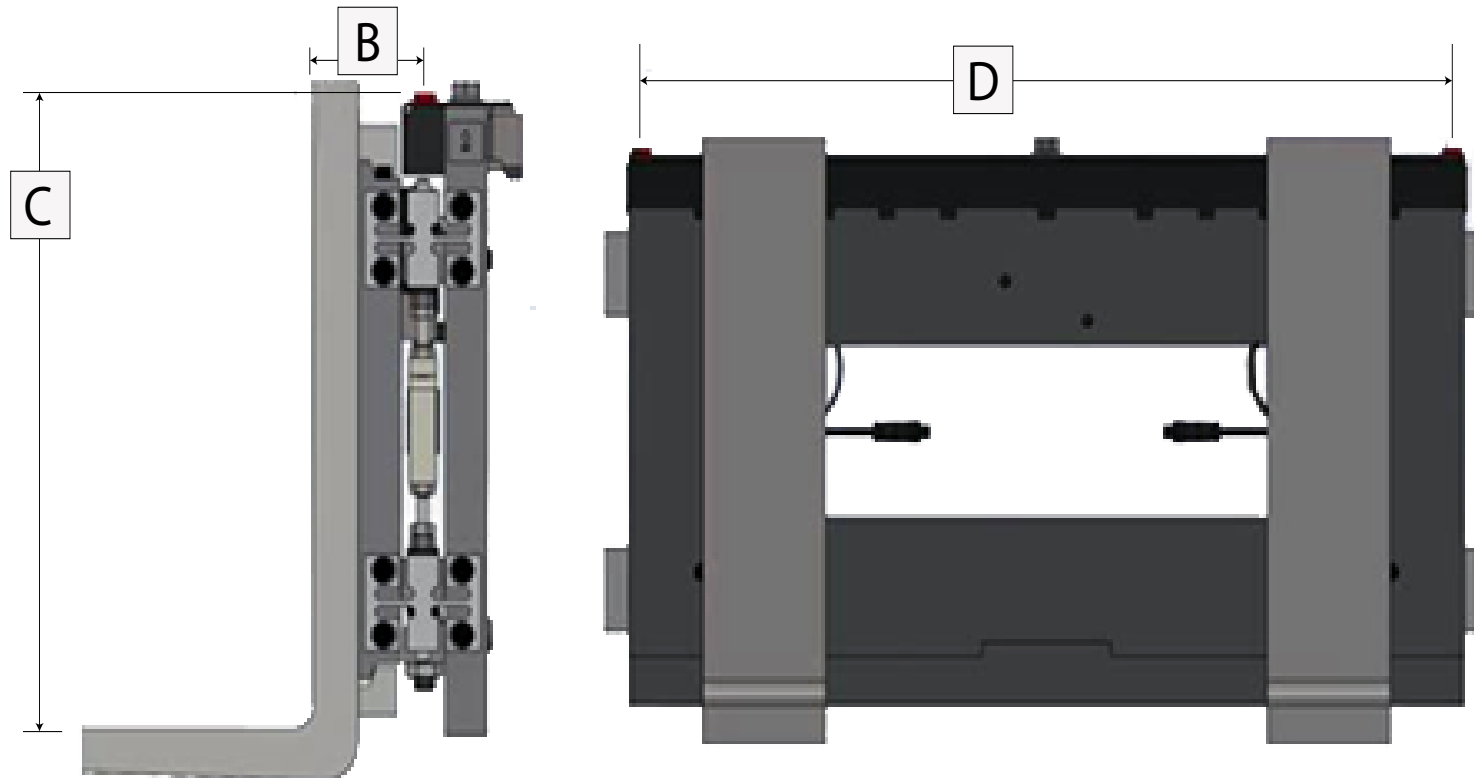

BRACKET MEASUREMENT INSTRUCTIONS

Please measure B, C and D as described and illustrated below. Please measure to 1/32nd or 1/16th of an inch when measuring in inches.

B: Horizontal offset: Distance from center of marker on bracket to back plate of fork

C: Vertical offset: Distance from top of marker on bracket to top of fork blades

D: Marker distance: Distance between markers on the bracket (measure center-to-center)

Forklift Bracket Details for Dimensioning Questionnaire

Please fill out a row below for each forklift bracket installed.
