# Press Release

## Rice Lake Weighing Systems leads industry with speedy 4-day weight re-calibration turnaround time

Rice Lake, Wis., August 15, 2008: Rice Lake Weighing Systems, manufacturer and distributor of weight-based measurement products and supplies since 1946, leads the industry with 4-day turnaround for recalibration weight services and a user-friendly online order form. Select [www.ricelake.com/recalibration](http://www.ricelake.com/recalibration) and complete the intuitive form. The form allows users to select the documentation required; Mass Value RLWS Certificate, NVLAP Weight Calibration Certificate, NVLAP Traceable Certificate (traceable to NIST, Classes 4, 6 7 and F). The form can be submitted by email, fax or regular mail. Weights Specialists are also available for personalized assistance at 800-472-6703 ext 6655.

Rice Lake Weighing Systems is a family-owned, ISO-9001 registered company that designs, manufactures and distributes a complete line of industrial process control weighing equipment through a worldwide network of independent distributors. The headquarters, metrology laboratory and main manufacturing plant are located in Rice Lake, Wis., with additional manufacturing facilities located in Jasper, Ala., and Newtown, Conn.
