Press Release

Rice Lake At The Office® Now Available On DVD

Rice Lake, WI: September 21st, 2009: Rice Lake's collaboration with the hit NBC series The Office is immortalized forever with the release of season five on DVD, now available in stores. The back cover of The Office, Season Five displays the cast aboard a custom Rice Lake RoughDeck® floor scale with a 9201® indicator. The equipment was used during filming of the episode "Weight Loss," commentary for which includes a glowing mention of Rice Lake's partnership with the series.

During the filming last year, Rice Lake was contacted by the show's crew to supply a scale that could be built to their needs. Rice Lake gladly accepted the task, delivering the custom equipment in person with the same five-star service given to every Rice Lake customer. The filming went on without a hitch and Rice Lake instantly became a part of Hollywood history.

Buy your copy of The Office, Season Five today to see the final product of this team effort. It's a perfect example of the great partnership, superior products, and outstanding customer service that every customer can expect from Rice Lake Weighing Systems.

Rice Lake Weighing Systems is a family-owned, ISO 9001 certified corporation, with headquarters, metrology laboratory and main manufacturing plant in Rice Lake, WI. Additional manufacturing facilities are located in Jasper, AL. and Newtown, CT.

The Office is a registered trademark of NBC. Neither NBC nor The Office sponsors or endorses Rice Lake products.
