Weight Accessories cont. Clean Room Cases

Clean Room Cases

These cases are ideal for all clean room environments. Made of tough, clear acrylic, these attractive cases protect your valuable investment while allowing you to comply to even the most stringently clean room requirements. Inserts are made of either acrylic or PVC depending on the number and configuration of weights being stored. Please note that acrylic weight cases have been developed for storage of your weights only. They are not designed for shipping purposes. Acrylic weight cases are available as an accessory only. Weight sets will be shipped in our standard wood or PVC cases for the ultimate in protection during transportation. You will find these cases convenient, attractive, effective and economical. Please call for a quotation.
