

Load Cell Limited Warranty

Rice Lake Weighing Systems (RLWS) warrants that all load cells purchased from RLWS, properly installed by a Distributor or Original Equipment Manufacturer (OEM), will operate per written specifications as confirmed by the Distributor/OEM and accepted by RLWS. RLWS brand load cells carry a 2 year limited warranty unless otherwise stated. All other load cells sold by RLWS carry a 1 year limited warranty unless otherwise stated. Other related equipment sold within this catalog (Junction boxes, mounts, and other hardware) shall be warranted for a period of 1 year.

These limited warranties cover only defects in material or workmanship and begin from the date of shipment from RLWS, unless otherwise stated. If any equipment fails to conform to these warranties, RLWS will, at its option, repair or replace such goods returned within the warranty period (subject to the following conditions):

- The Buyer has inspected the product's packaging and contents upon receipt. Damaged and mishandled packaging that results in damage to product is the responsibility of the freight carrier, who must be notified by the Buyer at the time of delivery.
- Upon discovery by Buyer of non-conformity in material or workmanship, RLWS will be given prompt written notice with a detailed explanation of the alleged deficiencies.
- Items returned to RLWS for warranty purposes must be returned in the original packaging with the load cell calibration data sheet.
- Examination of such equipment by RLWS confirms that the non-conformity actually exists, and was not caused by accident, misuse, neglect, alteration, improper installation, improper repair or improper testing. RLWS shall be the sole judge of all alleged non-conformities.
- Such equipment has not been modified, altered or changed by any person other than RLWS.
- RLWS will have a reasonable amount of time to repair or replace the defective equipment. Buyer is responsible for shipping the product to RLWS. RLWS is responsible for shipping the product back to the Buyer.
- In no event will RLWS be responsible for travel time or on-location repairs, re-calibrations, including assembly or disassembly of equipment. Nor will RLWS be liable for the cost of any repairs made by others.

These warranties exclude all other warranties, expressed or implied, including without limitation warranties of merchantability or fitness for a particular purpose. Neither RLWS nor distributor will, in any event, be liable for incidental or consequential damages.

RLWS and buyer agree that RLWS' sole and exclusive liability hereunder is limited to repair or replacement of such goods. In accepting this warranty, the buyer waives any and all other claims to warranty.

No terms, conditions, understanding or agreements purporting to modify the terms of this warranty shall have any legal effect unless made in writing and signed by a corporate officer of RLWS and the Buyer. It is understood

Load Cell Non-Warranty Evaluation Notice

Effective April 1, 2006, Rice Lake Weighing Systems has applied a per unit flat rate change of \$45 for non-warranty product evaluations.

This change only applies to items returned outside the specific product warranty period and will be waived if you proceed with a billable repair.
